What is your Calcutta? Last week, 8th graders learned about St. Mother Teresa of Calcutta and how to apply her example to our own lives. We discussed her advice 'to find our own Calcutta' right where we are; in our families, our schools, and our communities. Where can we make a difference? Where can we live out our call to holiness? As Catholic Christians we are all called to be saints, in this life and the next, we just need to listen to God's whisper about how to go about doing this. Here is a picture of the beautiful places and ways our young people are feeling called to live out Mother Teresa's advice right now.

Mrs. Hartley, 8th Grade Religion Teacher

Power of the Pen – St. Christopher's Team
