Upon receiving the resignation of Mrs. Mary Kincaid as principal of St. Christopher School, I began searching for a person to assume the position on an interim basis. Paul Beyerle has accepted this interim position and will begin on November 1st.

Paul has a long history in the education field, both public and parochial, and he led the St. Christopher School Task Force earlier this year for our parish. He retired 4 years ago from Bishop Leibold School, where he was principal. Paul is a long-time parishioner of St. Christopher, and he is also a member of Pastoral Council.

I am confident Paul will ensure that St. Christopher School excels in all areas of educating the youth entrusted to our care. Please join me in welcoming Paul to the School staff, and in praying for Mary, Paul, the School community and our Parish family as we work together building God's kingdom.

In Christ,

Fr. John W. Tonkin
