

St. Chris PTO Minutes

Monday, September 13th, 2021 7 PM

(15 in attendance)

\*Opening prayer

- Old business: Last meeting was held in May. This was our only meeting of the 2020-2021 school year.
- 
- Introduction of board members. Lara, President of our PTO for four years is transitioning out of her role. We thank Lara M for all she has done while serving as President. Brittany T will be the incoming president.
- 
- New Business:
- 
- Dues this year are 15 dollars. We now have the option to make payments to the PTO using Venmo.
- 
- The mother son event is coming up this October. Expect more information on that soon.
- 
- We plan on having a Read-A-Thon fundraiser this fall. This has been a great fundraiser for our school.
- 
- We hope to be able to do a teacher wish list this year. We are also looking into Amazon wish lists that the teachers could set up for items needed in the classroom.
- 
- Principal's Report:
- 
- A new air quality system for our school will be getting installed. This is made possible by the Care Acts.
- 
- Beacons Of Lights have conducted a study tracking students/parish headcount. Nothing is expected to change much within St. Chris. November 1st findings will be released to the public.
- 
- The outsource of Cafeteria duties has been going well. There have been some shortages of certain menu items so at times the menu may need to change slightly.
- 
- The 8th grade will be going on a retreat to the Damascus Catholic Mission Center. (Sponsored by Gala funds.)
- 
- There will be no Athletes in Action this year.
- 
- Good start so far for the new school year.

Meeting ended at 7:45 PM. Next meeting is Monday, October 11th at 7PM.
